# Topic 5 – Expressions & Variables

N8N Hands-On Beginner Course | Workflow Evidence

## Evidence 1 — Successful Workflow Execution

The Manual Trigger, Student Info, and Format and Transform nodes are connected and show green success indicators. One item is passed along the workflow.

## Evidence 2 — Expressions and Output

The Format and Transform node shows expressions and their evaluated results, including ALEX SMITH, April 12, 1998, and processedDate 2026-10-12.
